

Our trip to France 😊

My name is Aviaq Kristoffersen , Juliane kristensen we would like to talk about our trip to France. We flew from Ilulissat to Kangerlussuaq at about 7 clock am. We wait in kangerlussuaq about 3-4 hours and then we flew to Copenhagen in 4 hours and 15 min. We stayed in Copenhagen for one day. We slept in Danhostel Amager it was fun. Next morning we flew to France in 2 hours. And we take our suitcases and we eat in airport and when we got out from the airport we are going to bus. We drive 4 hours to Liernais it was fun. And everyday was fun in France.

But I love one day because we are going to
