

Our trip to France

Me and our classmates went to France. We left Ilulissat Friday March 31st. We travel to Kangerlussuaq, after to Denmark so we go to Danhostel Amager and we sleep one day in Danhostel. We go to Airport and we fly to France and drive with bus to Liernais for 4 hours and we was tired.

When we arrived we go to eat when we have eat we go to the football field. It was good. We like the football field a lot, because we don't have a grass football field in Ilulissat. And we like Eiffel tower a lot. We make many new friends.
