

MY TRIP TO FRANCE

Hello my name is Marina Jensen and I will tell you about my trip to France.

First we flee to Kangerlussuaq from Ilulissat, and then to Denmark (Copenhagen), and we slept one day in Copenhagen, and we were in Danhostel Amager in Copenhagen. And next morning we ate or breakfast in the morning. And we went to the airport, and then we are flew to France. And I slept in plane because I was so tired. After we arrived to France, we bought something to eat, and we ate that in airport. And then we went to Liernais in bus, and we drove in 4-5 hours. And the next day in Liernais we went to school so we visited school. We visited two schools in Saulieu and Liernais. In Saulieu it was very big, but there is no many children. And I will never forget that trip to France!

The best thing in France was the Eiffel tower.
